Empathy Map

SAYS • I need accurate flood predictions before heavy rainfall. • We must issue timely warnings to protect people. • Reliable data helps us make better decisions.	THINKS • Will the prediction be accurate enough to trust? • Can this system help reduce damage and save lives? • How can we identify high-risk areas quickly?
PERSONA NAME Disaster Management Officer	
DOES • Monitors weather and rainfall reports. • Issues flood alerts and evacuation notices. • Coordinates with local authorities and rescue teams.	FEELS • Worried about public safety during heavy rains. • Responsible for minimizing loss of life and property. • Relieved when early warnings help prevent disasters.
